

How To Feature Your Vendors

Featuring your vendors is a great way to highlight the amazing team who helped bring your wedding to life — and lets guests see who made the magic happen!

Step-by-Step Instructions

1. Click **Vendors**.
2. Click **Add New Vendor**.
3. Fill out the prompts — share as much or as little information as you’d like, such as:
 - Vendor name
 - Category or role (e.g., planner, florist, band, caterer, etc.)
 - Website or contact info
4. Save your entry, and your vendor will now appear beautifully on your event page.
